Young IT Professional eager to take the next steps in my career. I am working hard to achieve of my goal of becoming a Web Developer and have gained significant technical skills in the process. Throughout my previous working experience, I have shown that I am great with people and a proactive employee. Combining my technical and social skills, I can become a valuable asset to any employer. Now, I aim to continue my growth as a person and develop both my soft and hard skills as I follow my ambitions.

## SKILLS

- Web Development (HTML, CSS, JavaScript)
- Fullstack Development (Node.js, React.js, Express.js, MongoDB)
- Languages (English, Italian, German and Arabic)
- Socially skilled
- Fast learner
- Communication
- Coaching and training

## WORK EXPERIENCE

2021 - CURRENT

### DEVELOPER TRAINEE, MATRIX MASTER

As a Developer Trainee, I have gained significant skills in web development technologies. In a short time, I have learned and excelled in several programming languages and web building skills. The certificates I received include HTML5, CSS3, JavaScript, Node.js, React.js, Express.js and MongoDB. During this traineeship, I have shown my passion and drive for Web Development, as I continue to further and master my skills.

2014 - 2020

### SPORT & RECREATION TEAM LEAD, RADISSON BLUE

I led a team of proactive and passionate sport and recreation members at one of the biggest hotels in Egypt. I also partook in the many activities throughout the day as an active member with the hotel guests. I am specialized in multiple fields of athletics and dance. During these six years, I have gained significant experience leading and coaching a team while maintaining social connections with diverse clients and hotel guests.

2011 - 2014

### INHOUSE STAFF, TIA HEIGHTS MAKADI, SOLATIR MARSALA, CORAL HILLS

At Tia Heights, I grew as a valuable member of the hotel staff and found a passion in connecting with people from all around the world. During this time, I have shown that I am a hard worker and a fast learner.
